Hallettsville Notes.

[Herald.]

J. C. Lamkin and C. L. Stavinoha have dissolved the law partnership existing between them and in the future will practice individually.

Rev. A. G. Nolen will hold services on the 23rd at Mossey Grove in the morning and at Williamsburg in the evening. On the 31st he will hold services in the morning at Boxville Church and in the evening at Clark's School House.

The Hallettsville public school will open for the season of 1902-03 September 1st, which is the first Monday in that month. The curriculum this year is as follows: M. Z. Spahr, principal; H. Lott, assistant; Misses A. D. Lay, Emma Searcy, Alice Lee and Della McKinnon, teachers.

Deputy D. B. Howerton went to Moulton Sunday after a Mexican who was in the local lock-up there, with complaints of carrying concealed weapons and using abusive language hanging over his head. The Mexican, who is known as Francisco, filled up to the neck on some brand of fighting whiskey and took in the town of Moulton, it taking several men to effect his capture.

Moulton Items.

[Eagle.]

Miss Carrie Vrazel and Mr. E. J. Motis, of Hallettsville were united in marriage last Thursday. The young couple are making a bridal tour in Mexico.

Dr. R. L. Cox, Mr. John Schwake and Misses Franke and Webb, went to Shiner Monday, to take in the dance given in the Opera House. They report a good time.

The Hermann Park Verein has decided to give a barbecue on Sept. 18. The full particulars will be published later. Efforts are being made to have some prominent speakers on that day.

Mr. Paul Schumann, a prominent saloon man of Schulenburg, Fayette county, died Sunday morning of apoplexy. Mr. Schumann leaves a widow, two sons and two daughters to mourn his demise.

The Eagle desires to express its

sincere thanks to Mr. F. T. Fehrenkamp, Moulton's popular lumber dealer, for a nice purse presented us this week.

Now if the subscribers will come forward in sufficient force to keep the purse filled, the Eagle man will be happy.—Gazette.

Patronize Home Industry.

The oil mill is receiving some hard blows. The seed that the oil mill should be receiving is going away. There are a number of buyers in the field for outside concerns. While, of course, it is legitimate and no one can blame a person for representing them or seeking to do something for themselves, still this habit if carried to a conclusion would cripple an enterprise that is doing much for the country and city. No country can prosper without support. One successful enterprise brings another. One enterprise that is crippled throws a damper over starting another. It matters not what a person is doing, as long as they live in a community and are making a living they are benefited by the wage earner. The farmer finds a better market for his produce because there are more people to use it.—Gonzales Inquirer.

Scientific Deduction.

Scurlock Combs—I see that your mother-in-law is visiting you.

Stranger—Why, how do you know that?

Scurlock Combs—You have a hunted look in your eyes, your necktie is up behind, and there is a scratch extending across your left cheek. Ha! ha!—Lewis in Houston Post.

A Charming Evening.

A most charming evening, every minute brimming over with mirth, was spent with Mrs. J. R. Lane Tuesday evening. The entertainment was given complimentary to her guests, Misses Cecile and Catherine Habermacher, and the following friends were fortunate in being numbered "present": Misses Neddis Tinsley, Emma Thornton, Edna and Ada Scheske, Misses Pendleton, George Hughes and Misses Habermacher; Messrs. Hugo Dietze, W. B. Sayers, Walker Denmark, Ed. Haynes, Howell Clark Searcy Chambers, Vaughn Bright, Chas. Hoskins and Dr. Combs.—Gonzales Inquirer.

Supt. F. P. Guenther kindly furnished us with the following list of teachers who passed the examinations last week: Miss Adelaide Bagby and Holly Parr secured second grade certificates for four years. Arthur Parr, Claud Leggett, Albert Fertch, J. A. Waldrop, August Janseen and Charles Vrazel, second grade certificates for two years, and Miss Janie Hildebrand third grade certificate. Ida Warren and James Chase, negroes, secured third grade certificates. There were nineteen white and eighteen black applicants. Supt. Guenther also requests the Herald to state that applications for transfers of pupils must be made before September 1st.—Hallettsville Herald.

Cotton Receipts At Gonzales.

Gonzales, Texas, August 20—Public Weigher Potts reports 1999 bales of cotton received up to last night. This is ahead of the figures for same date last year. Cotton is opening very fast and with another month of dry hot weather the crop will be nearly all picked out.

Cotton seed is coming in, but not in as large quantities as this time last year. There are several buyers here in addition to the buyers for the oil mill.

—For a nice shave go to A. C. Koepke's.

September Designer.

The advance styles for autumn are presented most attractively in The Designer for September. Of great practical value is an article on "School Array" for the boys and girls, and, in the millinery pages are given full directions for making a stylish toque suitable for the season. The fiction of this number consists of "The Effacement of Susan Ross," by Celia E. Shute. "The Little Dark Room," by Harriet Caryl Cox, and the continuation of "The Apology of Ayliffe," by Ellen Olney Kirk. "Selections for the Recitationist," "Toilet Table Chat," "Etiquette Hints," "Points on Dress-making," "In Motherland," and "The Kitchen Kingdom" are practical, valuable and timely.

Arranging For Editors.

Gonzales, Texas, August 20.—The general arrangement committee for the entertainment of the Southwest Texas Press association on the 22d and 23d of this month, will have everything in readiness for the visitors.

President D. L. Beach says he expects at least fifty visitors.
